

New Gen Tech Global Cooperation Limited

“You Dream it, We Build it”

New Gen Technology International

New Gen Tech Global Cooperation Limited was established in 2008 and its located in the heart of china. New Gen Tech is a professional manufacturer of ATV, UTV, hoverboards, electric bikes, specialising in research, development, design, production and export of modern technology. Our products comply with ISO9001, WMI BSCI, certificate. Balance scooter with UL/CE approved, ATV and Dirt bike are CE available. We have EPA certification for the American market and EEC certification for the Europe market. All electric bike has CE and EN15194 certificate. Our intension for the business is to continually expand and develop encompassing all aspects of the dynamic and popular sport. This ever-expanding range of high-quality products with its compact dimensions and robust construction are designed to accomplish full sized tasks. New Gen Tech Global Cooperation Limited is run by a team of people with real experience in the industry. We have a wealth of knowledge and we are very happy to talk to our customers and find the best solution for their needs. If you are looking for equipment and accessories for ATVs and UTVs then New Gen Tech Global Cooperation Limited are the suppliers you can count on for service and value. Our products are deeply loved by customers at home and internationally.

With the progression of time New Gen Tech is keeping up to the standards. New Gen Tech has been recognised from its domestic as well as international clients for its fine quality and unique and elegant designs. Our factory boasts of an area of 10000 sqm, with exclusive design team, QC team. We have the perfect production management system producing high quality products at high standards for high end goods.

NGT-U01

1. engine type:200cc
- 2.max torque :10.1Nm/6000rpm-10.2Nm/5000rpm
3. max power :10.1Nm/6000rpm-10.2Nm/5000rpm
4. ignition type : CDI
5. transmission :automatic with reverse ,chain
- 6.Brake (Front/Rear):Disc/Disc
7. starting system :Electric start
8. battery spec :12V,9AH
9. front suspension details :double A x swing arm
10. rear suspension details :air chamber shock absorbers
11. front tire spec : Front: 19*7-8
